

## Parents Code of Conduct

Snoqualmie Valley Little League means **Kids First**. As such we expect our coaches and volunteers to abide by a certain code of conduct to ensure each athlete, regardless of skill has a positive and rewarding Little League experience.

As a parent or guardian of a Snoqualmie Valley Little League athlete, we need your help upholding the same standard. Please read below Parent code of Conduct.

As a parent/guardian, I pledge that:

I will remember that the game is played for the youth and not for the adults.

I will place the players emotional and physical well being ahead of my own personal desire to win.

I will be an encouragement to all players on all teams regardless of the score.

I will be a role model for my child's team, demonstrating how to treat other players, parents, officials and coaches with respect at all times.

I will demonstrate good sportsmanship regardless of the score by acting in a manner that is respectful to all.

I will require (maybe encourage) my player to always act in a sportsmanlike manner.

I will abide by the rules of the ball field including refraining from tobacco and/or alcohol use.

I will not use profanity.

I will remember that youth sports are played for fun!

I acknowledge reading the information provided and (where applicable) agree to the published waiver.
